Why am I getting this statement?

In accordance with federal guidelines your escrow account is reviewed at least one time per year; however, certain circumstances may require an additional review. This statement is a result of that review known as an escrow analysis statement, which determines if sufficient funds are available to pay your taxes and/or insurance. This statement is a projection of your escrow account and may also include a history of the escrow activity on your loan since the time you last received an escrow analysis statement. The enclosed update follows notice of the account's involvement in a bankruptcy petition, filed on January 14, 2019 under chapter 13 of the Bankruptcy Code. This statement should be reviewed carefully. The mortgage payment may be affected. Please contact us at the number above if this account is not part of a Chapter 13 proceeding or plan. If this account has filed for any other Bankruptcy protection or received an Order of Discharge in a Chapter 7 bankruptcy case, or received any other discharge under the U.S. Bankruptcy Code that applied to the referenced property, please be advised that this Notice is for information purposes only and not intended as an attempt to collect a debt against you personally.

What does this mean to me?

Because your escrow account is projected to have more money than is needed, there is a surplus of \$242.42; however, this surplus is being retained due to the status of your mortgage. Once your loan returns to a current status, please contact our Customer Service Department at the above referenced number to determine if the surplus is still valid.

What is a surplus?

A surplus is the difference between the **anticipated** escrow balance, which is greater than the **required** escrow balance at the beginning of the analysis cycle. A surplus typically results from changes in taxes and/or insurance. Please refer to the enclosed FAQ for additional information.

Anticipated escrow account balance (as of March 31, 2020):	\$2,284.52
Escrow adjusted per Proof of Claim*	\$0.05
Required escrow account balance (as of March 31, 2020):	\$2,042.15
Difference resulting in an escrow account surplus:	\$242.42

*This amount reflects the adjustment made for the Bankruptcy Proof of Claim:

What is my new monthly payment?**Effective April 2020, your new monthly mortgage payment will be: \$2,238.28**

<u>Current Payment</u>	<u>New Payment</u>
Principal & Interest	\$1,727.33
Escrow Deposit	\$392.31
Total Payment	\$2,119.64
	\$2,238.28

If your payment is issued by a third party, or if you make payments through a bill pay service, then please make sure your new total monthly payment amount is updated with your service provider.

Payment Change Breakdown

Below are the escrow items we anticipate collecting for and paying on your behalf over the next 12 months. To calculate your new monthly escrow payment of \$510.95, we added up the actual or estimated tax and insurance payments for the next 12 months beginning with the April 2020 payment and divided the total by 12. Included for the comparison are the Annual Payments we projected to pay during the **last analysis cycle**, as displayed in detail in the history portion of the escrow analysis statement.

Description	Current Annual Payment	Projected Annual Payment
Taxes	\$2,619.98	\$3,062.40
Insurance	\$3,069.00	\$3,069.00
TOTAL	\$5,688.98	\$6,131.40

Prior Year Account History and Coming Year Projections

This statement itemizes your actual escrow account transactions since your previous analysis statement or initial disclosure and projects payments, disbursements and balances for the coming year. The projections from your previous escrow analysis are included with the actual payments and disbursements for the prior year. By comparing the actual escrow payment with the previous projections listed, you can determine where a difference may have occurred. When applicable, the letter "E" beside an amount indicates that a payment or disbursement has not yet occurred but is estimated to occur as shown. An asterisk (*) beside an amount indicates a difference from projected activity either in the amount or date.

Projections are included to ensure sufficient funds are available to pay your taxes and/or insurance for the coming year. Under Federal Law (RESPA) the lowest monthly balance in your escrow account should be no less than \$1,021.90 or 1/6th of the total annual projected disbursement from your escrow account, unless your mortgage documents or state law specifies otherwise.

Your projected anticipated lowest account balance of \$1,264.27 will be reached in April 2020. When subtracted from your minimum required balance of \$1,021.90, an Escrow Surplus results in the amount of \$242.42. These amounts are indicated with LP. You will receive an Annual Escrow Account Disclosure Statement reflecting the actual disbursements at the end of the next escrow analysis cycle. However, you should keep this statement for your own records for comparison. If you have any questions about this statement, please call our Customer Service Department toll free at 1-888-820-6474.
